REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a pressure switch including a switch body having first and second ends; first and second pairs of contacts disposed respectively on the first and second ends; first and second stems extending from the respective first and second ends of the switch body on which first and second pistons are located and spring biased toward the switch body such that upon a predetermined pressure in the internal passages within the stems causes the pistons to move along the stems to one the first and second pairs of contacts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Friedhofer whose telephone number is 571-272-1992. The examiner can normally be reached on Mon-Fri 6:00 - 2:30.
